Govt. has authorised the Millowers in Ahmedabad to advance a sum of Rs. 10 in kind to every worker in the textile mills on condition that it would be recovered from him in suitable instalments. The P.&D.D. has in this connection forwarded two draft orders for scrutiny. By the first order it is proposed to excluded the value of such advance from the definition of the term "wages" under sec. 2.(vi) (a) of the Payment of Wages Act. 1936. By the second order it is proposed to authorise deductions under sec. 7(2) (e), read with S. 11.

2. The draft orders, as slightly amended are in order. (p.7 ante)

3. Under sec. 11 of the Payment of Wages Act, 1936, a deduction under caluse (e) of sub-sec (2) of sec. 7 shall not be made from the wages of an employed person, unless the amenity or service has been accepted by him as a term of employment or otherwise, and such deduction shall not exceed an amount equivalent to the value of the amenity or service supplied and shall be subject to such condition as the Provl. Govt. may impose. It is therefore presumed that in the present case no. dedictions will be made until the workers have accepted the service and that Govt. does not proposed ~~no~~ to impose any conditions in respect of such duductions.
